The interface features a central image of a black and white dog sitting on a paved surface. To the left of the dog is a large red question mark icon with a white question mark inside, set against a grey background with a dotted pattern and spotlights. Above the dog is a yellow speaker icon and a horizontal progress bar with a yellow-to-green gradient and arrows at both ends. At the bottom of the interface are three red buttons with white text: 'PLAY', 'OPTIONS', and 'CREDITS'. The URL 'WWW.ENGAGEDGAMES.CO' is displayed in a blue box with white text below the question mark icon.
